

ENVIRONMENTAL IMPACT PROGRAM

PARTICIPANT INTERVIEW QUESTIONS

"Based on what you have learned about the program what are you most excited about and why?"

"We'll be working outdoors in all kinds of weather and conditions. What's your experience with outdoor activities or challenges, and how do you handle tough days?"

"You'll be creating educational materials for the community. Tell us about an experience you had where you needed to put together a poster, video, or presentation. What did you learn from that experience?"

"One part of your role may include leading or teaching your peers. What in your opinion does good leadership look like in action?"

"If accepted, what do you plan to get out of this program be it personally, academically, or for your future goals?"

"What does 'accountability' mean to you? How do you hold other people accountable to group goals? How do you hold yourself accountable to goals?"
